The Twilight Saga Auction

The Twilight Saga Auction includes 900 lots of original costumes, props and set decoration pieces from each of the five films in the blockbuster series, offering fans the unique opportunity to retrace every key facet of Bella Swan's incredible journey into the world of vampires and wolves.

The artifacts on offer are curated original pieces used in the production of the films. Major productions typically have multiple examples of a given prop or costume to meet the requirements of a given sequence, which is the reason this catalog contains multiple lots of certain items. Many wardrobe pieces were marked with a film code by the production, such as 'TW' for *Twilight* or 'NM' for *New Moon*; these garments sometimes bear markings from prior films in the series as they were passed from production to production.

If you're new to prop and costume collecting, we encourage you to read the Auction FAQ at www.twilightsagaauction.com. Prop Store believes that authentic props and costumes are the ultimate in movie collectables and we're standing by to answer any questions that you have. Interest-free payment plans are available on all lots, and every lot will include a Prop Store Certificate of Authenticity of original props, costumes and collectable memorabilia. We look forward to being a part of your own collecting journey and to helping you bring home your own piece of this worldwide phenomenon to cherish forever.

The Prop Store Certificate of Authenticity

Authenticity is the defining collectable element for original film and television props and costumes. All of our certificates carry multiple security elements to verify authenticity, representing a lifetime guarantee that the item is a genuine piece of cinema history exactly as described.

- 4.1.2 The majority of the Lots in this auction are sold without a Reserve. Pre-sale estimates are intended as guides for prospective bidders only. Estimates do not indicate the sales price for any Lot. Certain Lots are sold with a Reserve. A Reserve is the confidential minimum price the Consignor is willing to accept to sell the Lot. These Lots will only be sold if the Reserve is met.

- 4.3.3. Subject to the auctioneer's reasonable discretion, the Bidder placing the highest bid accepted by the auctioneer will be the Buyer and the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the Seller and the Buyer. Each Bidder understands and agrees that Prop Store, as auctioneer, is not a party to any contract for sale that results from the Auction. - 5.2.7. Prop Store shall be entitled to retain Lots sold until all amounts due have been received in full in good cleared funds or until the Buyer has performed any other outstanding obligations as Prop Store shall reasonably require.

5.3 Shipping and Storage

- 5.3.1.The Buyer is solely responsible for all shipping, handling, and delivery costs. Prop Store can help you arrange packing and shipping through FedEx for smaller items or PackAir AirFreight, Inc. for larger items, or you can use your own licensed carrier, approved by Prop Store. Please contact Prop Store at +1 818-727-7829 or supportLA@propstore.com for further details. Please be advised that certain Lots are highly fragile and should be handled with caution. Prop Store recommends that the Buyer collect such Lots locally from Prop Store, if possible. Prop Store does not warranty the Lots against and shall have no liability for any damage that any Lot may incur or suffer during the shipping or delivery process.
- 5.3.2. After 14 days after close of Auction, if the Buyer has not made arrangements for and paid the shipping cost of the Lots purchased, or has otherwise failed to collect the Lots, a storage fee of 3% of the Hammer Price per month shall be charged to the Buyer. If the Buyer has failed to pay the Purchase Price and the cost of shipping and handling, Prop Store, at its option may cancel the sale.
- 5.3.3. It is the Buyer's sole obligation and responsibility to be aware of, to comply with, and to pay for all relevant import duties, taxes, VAT, customs and other fees charged in the area of delivery. Prop Store will ship all packages with the full value of the Lot declared. The Buyer understands and agrees that Prop Store shall have no obligation or responsibility for any import duties, taxes, VAT, customs, shipping or other charges for the Lots shipped. Failure by the Buyer to pay all necessary amounts may result in the relevant authorities returning the Lot to Prop Store and in those circumstances the Buyer will be charged and will pay storage cost and Prop Store's additional reasonable costs and expenses.
- 5.3.4. It is further the Buyer's sole obligation and responsibility to ensure that any Lot purchased from Prop Store enters the shipping location lawfully, that all duties and taxes have been paid and that all required export procedures, regulations, and laws were properly complied with. The Buyer understands and agrees that Prop Store shall

- have no obligation or responsibility for complying with any export procedures, regulations, or laws applicable to the Lot.
- 5.3.5. Unless otherwise agreed by Prop Store in writing, the fact that the Buyer wishes to apply for an export license does not affect or postpone the Buyer's obligation to make payment in accordance with Prop Store's payment terms nor Prop Store's right to charge interest or storage charges on late payment. Prop Store shall not be obligated to rescind or cancel a sale nor to refund any monies paid by the Buyer to Prop Store as a result of or related to the Buyer's failure or inability to obtain an export license.
- 5.3.6. Should the Buyer make own arrangements with third parties for shipping, handling, or delivery of any Lots, Prop Store shall have and accepts no liability or responsibility for the acts or omissions of any such third parties. Similarly, where Prop Store suggests other handlers, packers or carriers, its suggestions are made on the basis of its general experience of such parties in the past. Although Prop Store shall use reasonable efforts to take care when selecting third parties for shipping and delivery, and the Buyer understands and agrees that Prop Store is not responsible to any person to whom it has made a recommendation for the acts or omissions of the third party concerned.

Prop Store's obligations shall be suspended and time for performance extended until such time as the event outside its control is over, following which a new collection or shipping date can be agreed.

6. Terms of Guarantee of Attribution

- 6.1. Prop Store warrants that the provenance of each Lot is the film production stated in the title block of that Lot in the Auction catalog, subject to any revisions (which may be given in writing or online before or during the Auction at which the Lot is purchased by the Buyer); this is Prop Store's Guarantee of Attribution. Buyers should be aware that multiple examples of props and costumes are frequently used during production and it is often impossible to determine whether a specific prop has been used on-camera. Any specific on-camera usage known to Prop Store will be noted within the description, but no warranties are given by Prop Store on that description.
- 6.2. If a Buyer demonstrates to Prop Store's reasonable satisfaction that the Guarantee of Attribution is materially incorrect, the sale will be rescinded if the Lot is returned to Prop Store in the same condition in which it was at the time of sale. In order to satisfy Prop Store that the Guarantee of Attribution is materially incorrect, Prop Store reserves the right to require the Buyer to obtain, at the Buyer's expense, the opinion of two experts in the field, mutually acceptable to Prop Store and the Buyer.
- 6.3. In the event a sale is rescinded in accordance with Paragraph 5.2, Prop Store shall repay to the Buyer the Purchase Price. Repayment of the Purchase Price shall be the Buyer's sole remedy, to the exclusion of all other remedies to the extent permissible at law. - 8.4. These Conditions shall be enforced in accordance with and governed by the laws of the State of California, without regard to its choice of law provisions.
- 8.5. Any claim or controversy arising out of or relating to the sale of the item between any Bidder/Buyer and Prop Store shall be submitted to arbitration in Los Angeles County, California before an arbitrator from the Judicial Arbitration and Mediation Services, Inc. By agreeing to arbitrate, the parties waive any right they have to a court or jury trial. The decision of the arbitrator shall be final and binding. The parties further agree that, upon application of the prevailing party, any Judge of the Superior Court of the State of California, for the County of Los Angeles, may enter a judgment based on the final arbitration award issued by the JAMS arbitrator, and the parties expressly agree to submit to the jurisdiction of this Court for such a purpose. The prevailing party shall be entitled to recover the party's attorneys' fees and costs incurred in connection with the arbitration.

About Prop Store

Prop Store was founded on the belief that the props, costumes and effects pieces used in movies are pieces of art—film art. We see these artefacts not as mere byproducts of the production process but as unique, creative works in their own right. Products of the collective effort of designers, fabricators, and artisans from every corner of the globe, many of these pieces are simply extraordinary.

Private collectors have played a significant role in preserving these film art pieces since the earliest days of cinema and television. Throughout the entertainment industry's history, physical assets were considered as mere production tools and were therefore commonly discarded time and time again.

Private collectors have stepped in on many occasions and taken preservation into their own hands. Some film and television artefact collecting stories are legendary: A college student stubmling upon the model miniature space station from 2001: A Space Odyssey abandoned in a field after it was discarded from an unpaid storage locker. Many of cinema's most memorable treasures are cared for by private collectors, and we believe that private collectors continue to play a critical role in the overall preservation and legacy of film and television history. Collecting is a very personal thing as

collectors each have their own tastes—but all are united through a common passion for the material and its preservation.

Every one of Prop Store's team members shares this belief and is a long-time, passionate collector. We love this material. We revere this material. Our enthusiasm is the driving force in our decade-plus global search to locate these culturally significant items. Our journey has enabled us to forge key relationships within the industry that have provided access to material previously believed to be unavailable. We are also in continuous contact with those on the front lines of production. These individuals educate us and assist us in properly identifying and authenticating material. In turn, we have educated and supported the collecting community by sharing our knowledge through articles, videos and collecting websites and forums.

Our experience, passion and desire to source the most exciting pieces possible makes us one of the world's leading vendors of original props, costumes and collectable memorabilia. We look forward to being a part of your own collecting journey and to helping you preserve these beloved pieces of film and television history.
